Using the space below (*attach more pages as needed*) list the qualifications, Earth and Space Science attainments, contributions and conspicuous service provided to *Mineralogical Society of Arizona* (MSA) for the MSA Member you are nominating. Be sure to include work performed for MSA, positions held, awards and recognitions received (*if any*) in your narrative. Biographical information included should pertain only to work in the hobby and related Earth and Space Sciences. *If Inductee is not a Life Member at time of selection, MSA will bestow an Honorary Life Membership along with Hall of Fame Award. The Hall of Fame nominations will be reviewed by MSA Board of Governors and Hall of Fame Committee each October to determine if a nominee meets the high criteria for Hall of Fame. There will be years, no inductee will be selected and this is in keeping with holding award for most distinguished of services to MSA. When an inductee is determined, award will be bestowed at December Hall of Fame Induction Ceremony. We look forward to you bringing fine nominees to our attention to help make the award a viable honor to bestow.*
